On 07-06-2015 visitors from California had their rental car broken into in the City of Burleson. The suspects then came to the City of Crowley and charged hundreds of dollars to the victims at several different locations. Suspect is identified as a black male, approx 5'11"-6'0" and approx 160lbs to 180lbs, he was wearing a grey Texas Rangers Hat with a black T on it, white shirt and distinctive bright red shoes. Suspect may be driving a white Chevy Tahoe, or similar large SUV early 2000's models. If you have any information contact the Crowley Police at 817-297-2276. Thank you for your help

REMINDER:
It is illegal to store, use, possess or sell fireworks within the Crowley City Limits (and yes, that does include sparklers). The exception to this rule is the Best Free fireworks show after the 4th of July that the City hosts every Saturday after 4th of July (July 11th this year) at Bicentennial Park.

-  **Matt Platts** Konni Burton, what can we do about this dangerous intersection in Crowley that the state controls? Is there a process to request an engineering review since there have been so many accidents in this same spot that is near residential neighborhoods and a Crowley ISD school?

POLICY DEVELOPMENT

DEVELOPING A SOCIAL MEDIA POLICY

**official
policy**

A blue, starburst-shaped badge with a white border, containing the text "official policy" in white, bold, sans-serif font.

- Ensure your policy covers all employees
- Prohibit certain posting depicting department property and/or activities
- Ensure that utilization of social networking sites, blogs, Twitter, or other medium or electronic communication is not done during office/duty time unless for official duties.

SOCIAL MEDIA POLICY (CONT'D)

- Prohibit posting certain confidential and sensitive information
- Advise employees that an appropriate level of professionalism should be followed
- Social media websites of new applicants/potential recruits should be screened

SOCIAL MEDIA POLICY (CONT'D)

- During administrative investigations, employees may be ordered to provide the agency with access to social networking sites when the subject of the investigation is:
- **Directly, narrowly, and specifically** related to an employee's performance or ability to perform his or her function within the operation, **OR**
- When the subject in the investigation is **potentially adverse** to the operation, morale, and efficiency of the agency.

	CROWLEY POLICE DEPARTMENT	
	Policy 2.8 Use of Social Media	
	Effective Date: 6/15/13	Replaces:
	Approved: 	
Reference:		

I. POLICY

Social media provides a new and potentially valuable means of assisting the department and its personnel in meeting community outreach, problem-solving, investigative, crime prevention, and related objectives. The department supports and utilizes the secure and appropriate use of social media to enhance communication, collaboration, and information exchange. The department also recognizes the role that these tools play in the personal lives of department personnel. Because the improper use of social media platforms by employees may impact department operations, the department provides information of a precautionary nature as well as prohibitions on the use of social media by department personnel. These policies and procedures apply to all personnel including sworn and non-sworn employees, Reserve Officers and any volunteers working with the department.

II. PURPOSE

This policy establishes guidance on the management, administration and oversight of social media. This policy is not meant to address one particular form of social media; rather social media in general, as advances in technology will occur and new tools will emerge.

III. DEFINITIONS

Blog: A self-published diary or commentary on a particular topic that may allow visitors to post responses, reactions, or comments. The term is short for "Web log."

Page: The specific portion of a social media website where content is displayed, and managed by an individual or individuals with administrator rights.

Post: Content an individual shares on a social media site or the act of publishing content on a site.

Profile: Information that a user provides about himself or herself on a social networking site.

POLICY SECTIONS DETAILING

- Department sponsored social media
- Rules for approved employee postings
- Explaining the purpose of department sponsored social media the use of covert social media sites for investigations
- the personal use of social media
- the monitoring of employee social media

PRECAUTIONS AND PROHIBITIONS

- Do not post information related to any police tactical response without official approval.
- Do not disseminate any information that should not be disseminated by law.
- Prohibit the display of any logo, uniform, patch or badge
- Make it clear when employees may exercise free speech on their personal sites.

PRECAUTIONS AND PROHIBITIONS

- For safety reasons, employees should not post information identifying them as department members.
- Employees should be prohibited from using speech that is obscene, sexually explicit, or inflammatory.
- Personnel should be aware that they may be subject to civil litigation for posting false information.
- Employees should have no expectation of privacy on posts that are in the public domain.

DISCIPLINARY ACTION

- Social media policy should always include a provision for disciplinary actions in the event of policy infractions, including possible termination of employment

THE FUTURE

- Social media will always be evolving
- Stay on top of emerging platforms
- Social Media has a solid future
- Continue education and talk to social media experts
- Think socially!!
